Friendly
Venues
Award

This is to certify that
South Craven Community Library
has been awarded the
North Yorkshire Breastfeeding Friendly Venue Award

Date11/07/2022.....

Signed *Louise Wallace*

Name of signatory
Louise Wallace, Director of Public Health

As a breastfeeding friendly venue we will:

1. Make mums feel welcome – all our staff welcome breastfeeding and understand there is no requirement to purchase anything. We will offer mum a free glass of water if required.
2. Reassure mum – we understand that hungry babies can cry and that's not a problem here. We want mums and babies to feel relaxed.
3. Encourage a safe place – this means we will remind our other customers that we are breastfeeding friendly if they make unhelpful comments to a mum.
